Lake Tyrrell Scenic Drive

Sunday

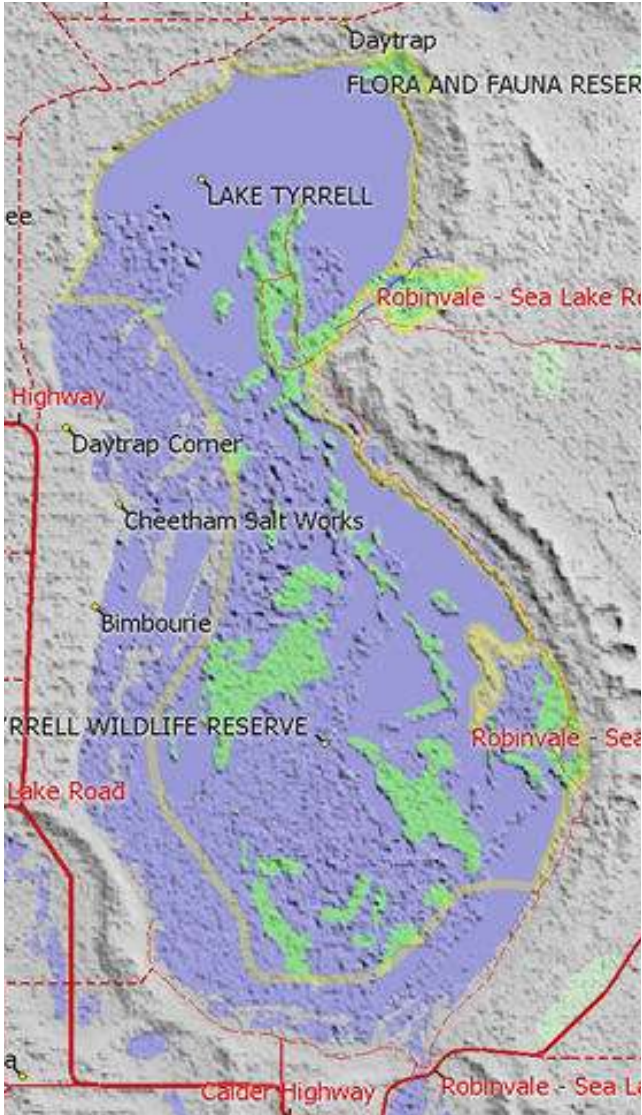

21st September 2008

8.30am sign on and briefing

9.00am sharp departure

The track....

Only \$25.00

Includes morning tea, lunch and afternoon tea

With the opportunity to “do the track” at a leisurely pace and bring the family along we are hoping to inspire past and present competitors and spectators from far & wide. Now everyone has the chance to see why the track is so grueling and competitive! As the pace will be a lot slower (not necessarily smoother) the chance of getting up close with kangaroos, lizards, Aboriginal sites, emus, salt bush and the most spectacular views of the lake, must be an inspiring thought. All the competitors see is the dust or mud in front of them as they chase the chequered flag and crews wait patiently for their teams to return home.

The tour will meet at the “Chook-shed” Sea Lake Recreation Reserve at 8.30am for a 9am sharp departure. We plan to stop at vantage points for photo opportunities on the way to the “Salt works” for morning tea (Included).

Traveling through the uncharted terrain, that is the Mallee Rally track, we then arrive at Box Clump for a much needed walk and lunch break, (also included) before we embark on the southbound journey down the eastern side of the lake. Once we are home safe afternoon tea (included) will be served at the “Chook Shed” to conclude a most memorable day.
